Tree Fruit and Grape Health and Safety Workshop

The following upcoming workshop is **FREE** to Ontario tender fruit, apple and grape growers.

Workplace Safety and Prevention Services will lead the workshop and provide information on:

- Mandatory occupational health and safety awareness training
- Duties of the employer, supervisor and worker
- Rights of the worker
- Roles of the health and safety representatives and Joint Health and Safety Committees
- Roles of the Ministry of Labour, Workplace Safety and Insurance Board, health and safety associations and other entities
- Recognize, assess, control and evaluate hazards
- Sources of information on occupational health and safety
- Demonstration of customization of the hazard assessment in the Health and Safety Program for Members
- Customization of the health and safety policy and workplace violence and harassment prevention policy in the Health and Safety Program for Members

Attendance at the workshop will fulfill the requirements of the mandatory occupational health and safety awareness training for employers and supervisors.

Members will leave the workshop with the health and safety policy and workplace violence and harassment prevention policy for their operation and further understanding of their responsibilities.
